

ACT NO. 7962

BILL NO. 31-0442

THIRTY-FIRST LEGISLATURE OF THE VIRGIN ISLANDS

Regular Session

2016

An Act amending the Virgin Islands Code titles 3, 9, and 22 to update the Insurance Laws of the Territory and to adopt the core standards and Model Laws and Regulations as established by the National Association of Insurance Commissioners (NAIC) for purposes of obtaining accreditation with the NAIC, placing the Territory on par with other United States jurisdictions and attaining greater and more effective protection to the policyholders of the Territory and for other related purposes

---0---

WHEREAS, the laws governing the insurance industry in the Territory are outdated as many of the laws were enacted in 1968 and have not been updated; and

WHEREAS, the Division of Banking and Insurance (Division) has been given additional legislative mandates over the years which have expanded immensely the Division's scope of responsibilities beyond primarily banking and insurance matters. The Division now regulates securities, debt management services, money transmitters, mortgage lenders and brokers and mortgage loan originators. Accordingly, section 1 of this act seeks to change the Division's name to "Division of Banking, Insurance and Financial Regulation" which is a true representation of the Division's legislative responsibilities; and

WHEREAS, while the Lieutenant Governor serves as "Commissioner of Insurance", title 22 Virgin Islands Code does not grant the Lieutenant Governor explicit authority to serve in this capacity. Therefore, the purpose of section 3 of this act is to grant this authority; and

WHEREAS, the laws governing the insurance industry in the Territory do not grant to the Commissioner of Insurance of the Virgin Islands all the necessary authority to effectively regulate the solvency of the multi-state domestic insurance industry in the Territory; and

WHEREAS, all other United States jurisdictions have periodically updated their insurance laws commensurate with the ever-evolving insurance industry; and

WHEREAS, the NAIC has established core accreditation standards and a comprehensive set of laws known as the Model Laws and Regulations, to assist United States jurisdictions in their

regulation of the solvency of their multi-state domestic insurance industry thereby affording greater protection to the policyholders in the United States; and

WHEREAS, all 50 United States and the Commonwealth of Puerto Rico have adopted the NAIC Model Laws and Regulations and the accreditation requirements and are now in substantial compliance with the NAIC accreditation standards; and

WHEREAS, the Territory has not adopted most of the NAIC Model Laws and Regulations that are necessary to obtain substantial compliance with the NAIC accreditation standards and is therefore not in compliance with the NAIC accreditation standards; Now, Therefore,

Be it enacted by the Legislature of the Virgin Islands:

(4) The ability of an assuming reinsurer to perform and whether the insurer’s reinsurance program provides sufficient protection for the insurer’s remaining surplus after considering the insurer’s cash flow and the classes of business written as well as the financial condition of the assuming reinsurer;

(5) Whether the insurer's operating loss in the last twelve-month period or any shorter period, including but not limited to net capital gain or loss, change in non-admitted assets, and cash dividends paid to shareholders, is greater than 50 percent of the insurer's remaining surplus as regards policyholders in excess of the minimum required;

- (12) notwithstanding any other provision of law limiting the frequency or amount of premium rate adjustments, adjust rates for any non-life insurance product written by the insurer that the Commissioner considers necessary to improve the financial condition of the insurer. If the insurer is a foreign insurer, the Commissioner's order may be limited to the extent provided by statute.

§521. Review and appeal of Commissioner's order. An insurer subject to an order issued under subsection 520(b) may request a hearing to review the order in accordance with the procedures set forth in chapter 7 of this title.
