## INTRODUCTION

The Virgin Islands Uniform Unclaimed Property Act (28 VIC section 651 et seq.) requires business associations, banking and financial organizations, life insurance corporations, and others to review their records each year to determine whether they hold any funds, securities, or other properties that have been unclaimed for the required dormancy period, and to file an annual report of abandoned property with the Office of the Lieutenant Governor. The Lieutenant Governor of the Virgin Islands serves as the Administrator of the Unclaimed Property Act.

This Instruction guide is designed to inform organizations of their responsibilities under the Unclaimed Property law and assist in the preparation of abandoned property reports. This guide is not intended to be the sole source of information regarding the holder's legal obligations under the Unclaimed Property Act. Each organization should review the Unclaimed Property Act to ensure all reporting requirements are understood. The review of the law should be ongoing, as revisions to the statute may cause changes in reporting requirements.

Unclaimed property forms, reporting instructions, laws, and regulations are available at the Office of the Lieutenant Governor's website at <https://ltg.gov.vi/> or by contacting the Office at the below addresses:

## HOLDERS OF PROPERTY

The Lieutenant Governor as the Administrator has been tasked with the responsibility of reuniting property owners with their property. However, we encourage you to make reasonable efforts to locate owners when an account first becomes inactive or a check remains uncashed. Most individuals and companies can be found if an attempt to locate them is made during the first six months following a change of address.

The holder of abandoned property is mandated by law to perform its due diligence prior to turning over any property to the Administrator. The holder of property presumed abandoned shall send written notice to the apparent owner, not more than 120 days or less than 60 days before filing the report, stating that the holder is in possession of property.

To file a report you must provide the Office with records of owners' last known addresses, (even though mail may have been returned by the post office), and social security numbers (if known). This information is extremely crucial in our efforts to verify that the rightful owners of the property are being paid. Addresses and social security numbers if known **must** be included in your report.

There is an option to pay the claimants directly and then file for reimbursement from the Virgin Islands Government of the Virgin Islands. Please contact the Office of the Lieutenant Governor, Division of Banking, Insurance and Financial Regulation at (340)774-7166 for more information.

### **Processing complete and accurate holder reports and failure to report.**

Incomplete report information adds processing time to your report, makes it more difficult to locate owners, and causes delays in processing claims. Please verify all information in the report is accurate.

A holder who fails to report, pay, or deliver property within the time described by law shall pay to the administrator interest at the annual nine percent on the property or value thereof. In addition to interest, a civil penalty may apply to the holder. (28 VIC Section 675)

### **Reporting Forms**

If a holder has fewer than 25 accounts to report, the holder may submit the report by mail in either an Excel format on a CD or by hard copy.

### **Extensions of Time to Submit a Report**

Holders that are unable to file a report by the applicable deadline may request an extension of time to submit the report. This request should be made before the date the report is required to be filed. The request may be emailed to [viunclaimedproperty@lgo.vi.gov](mailto:viunclaimedproperty@lgo.vi.gov) or mailed to the address listed below.
